Dear Helene,

I believe you'd find it useful to see a demonstration of terrorist tactics and bugging methods, and other threats to our security we all face.

[redacted]
[redacted] We can arrange a 2 to 3 hour program. Jim Baker and some ten of his White House colleagues did this several weeks ago and reported it interesting and well worth the time. A tentative schedule is attached.

25X1

If you are interested, please call my staff on [redacted] and we will work with you on schedule and travel arrangements.

25X1

Yours,

Bill
William J. Casey
